The Contractor shall not employ any person having any such interest in the performance of this Agreement. Contractor shall not hire County's employees to perform any portion of the work or services provided for herein including secretarial, clerical and similar incidental services except upon the written approval of County. In the event Contractor fails to perform the services promptly or to take necessary steps to ensure future performance of the service in conformity with the specifications and requirements of the Agreement, County shall have the right to either (1) by agreement or to otherwise have the services performed in conformity with the Agreement specifications and charge to Contractor any cost occasioned to County that is directly related to the performance of such services, or (2) terminate this Agreement for default as provided in the Termination clause.

- 11.2 External Audits. Contractors will provide the following to the COR:

 - 11.2.3 Contractor shall provide COR a copy of the contractor's response to the draft and final State or federal audit reports at the same time as response provided to the State or federal representatives.
 - 11.2.4 Unless prohibited by the government agency conducting the audit, Contractor shall provide COR a copy of all responses made by the federal or State audit representative to the contractors' audit response no later than three (3) business days of receiving it. This will continue until the federal or State auditors have accepted and closed the audit.
- 11.3 Cost or Pricing Data. If the Contractor submitted cost or pricing data in connection with the pricing of this Agreement or any change or modification thereto, unless such pricing was based on adequate price competition, established catalog or market prices of commercial items sold in substantial quantities of the general public, or prices set by law or regulation, the Contracting Officer or his representatives who are employees of the County or its agent shall have the right to examine all books, records, documents and other data of the Contractor related to the negotiation pricing or performance of such Agreement, change or modification, for the purpose of evaluating the accuracy, completeness and currency of the cost or pricing data submitted.
- 11.4 Availability. The materials described above shall be made available at the office of the Contractor, at all reasonable times, for inspection, audit or reproduction, until the expiration of three (3) years from the date of final payment under this Agreement, or by section 11.4.1 and 11.4.2, below:

- 12.1 Subject to Inspection. All performance (including services, materials, supplies and equipment furnished or utilized in the performance of this Agreement, and workmanship in the performance of services) shall be subject to inspection and test by the County at all times during the term of this Agreement. Contractor shall cooperate with any inspector assigned by the County to permit the inspector to determine whether Contractor's performance conforms to the requirements of this Agreement. County shall perform such inspection in a manner as not to unduly interfere with Contractor's performance.
- 12.2 Specification and Requirements. If any services performed by Contractor do not conform to the specifications and requirements of this Agreement, County may require Contractor to re-perform the services until they conform to said specifications and requirements, at no additional cost, and County may withhold payment for such services until Contractor correctly performs them. When the services to be performed are of such a nature that Contractor's cannot correct its performance, the County shall have the right to (1) require the Contractor to immediately take all necessary steps to ensure future performance of services conforms to the requirements of this Agreement, and (2) reduce the Agreement price to reflect the reduced value of the services received by County. ARTICLE 13
USE OF DOCUMENTS AND REPORTS

- 13.1 Findings Confidential. Any reports, information, data, etc., given to or prepared or assembled by Contractor under this Agreement that the County requests to be kept as confidential shall not be made available to any individual or organization by the Contractor without the prior written approval of the County.
- 13.2 Ownership, Publication, Reproduction and Use of Material. All reports, studies, information, data, statistics, forms, designs, plans, procedures, systems, and any other material or properties produced under this Agreement shall be the sole and exclusive property of County. No such materials or properties produced in whole or in part under this Agreement shall be subject to private use, copyright or patent right by Contractor in the United States or in any other country without the express written consent of County. County shall have unrestricted authority to publish, disclose, distribute and otherwise use, copyright or patent, in whole or in part, any such reports, studies, data, statistics, forms or other materials or properties produced under this Agreement.
- 13.3 Confidentiality. Contractor agrees to maintain the confidentiality of and take industry appropriate and legally required measures to prevent the unlawful disclosure of any information that is legally required to be kept confidential. - 13.4 Public Records Act. The California Public Records Act ("CPRA") requires County to disclose "public records" in its actual or constructive possession unless a statutory exemption applies. This generally includes contracts and related documents. If County receives a CPRA request for records relating to the Agreement, County may, at its sole discretion, either determine its response to the request without notifying Contractor or notify Contractor of the request. Contractor may request that County withhold or redact records responsive to the request by submitting to County a written request within five (5) business days after receipt of the County's notice. Contractor's request must identify specific records to be withheld or redacted and applicable exemptions. Upon timely receipt of Contractor's request, County will review the request and at its sole discretion withhold and/or redact the records identified by Contractor. Contractor shall hold County harmless for County's decision whether to withhold and/or redact pursuant to Contractor's written request. Contractor further agrees that its defense and indemnification obligations set forth in Section 10.1 of this Agreement extend to any Claim (as defined in Section 10.1) against the County Parties (as defined in Section 10.1) arising out of County's withholding and/or redacting of records pursuant to Contractor's request. Nothing in this section shall preclude Contractor from bringing a "reverse CPRA action" to prevent disclosure of records. Nothing in this section shall prevent the County or its agents or any other governmental entity from accessing any records for the purpose of audits or program reviews if that access is legally permissible under the applicable local, State or federal laws or regulations. Similarly, County or its agent or designee may take possession of the record(s) where legally authorized to do so.

- 13.5 Maintenance of Records. Contractor shall maintain all records relating to its performance under this Agreement, including all records of costs charged to this Agreement, and shall make them available within San Diego County for a minimum of five (5) years from the ending date of this Agreement, or longer where required by funding source or while under dispute under the terms of this Agreement, unless County agrees in writing to an earlier disposition. Contractor shall provide any requested records to County within two (2) business days of request.
- 13.6 Custody of Records. County, at its option, may take custody of Contractor's client records upon Agreement, termination, expiration, or at such other time as County may deem necessary. County agrees that such custody will conform to applicable confidentiality provisions of State and federal law. Said records shall be kept by County in an accessible location within San Diego County and shall be available to Contractor for examination and inspection.
- 13.7 Audit Requirement.
- (a) Contractor shall annually engage a Licensed Certified Public Accountant licensed to perform audits and attests in the State of California to conduct an annual audit of its operations. Contractors that expend \$750,000 or more of federal grant funds per year shall also have an audit conducted in compliance with Government Auditing Standards, which includes Single Audit Act Amendments and the Compliance Supplement (2 CFR part 200 App. XI). Contractors that are commercial organizations (for-profit) are required to have a non-federal audit if, during its fiscal year, it expended a total of \$750,000 or more under one or more HHS awards. 45 CFR part 74.26(d) incorporates the threshold and deadlines of the Compliance Supplement but provides for-profit organizations two options regarding the type of audit that will satisfy the audit requirements. Contractor shall include a clause in any agreement entered into with an audit firm or notify the audit firm in writing prior to the audit firm commencing its work for Contractor, that the audit firm shall, pursuant to 31 U.S.C. 7503, and to the extent otherwise required by law, provide access by the federal government or other legally required entity to the independent auditor's working papers that were part of the independent auditor's audit of Contractor. Contractor shall submit two (2) copies of the annual audit report, the audit performed in accordance with the Compliance Supplement, and the management letter to the County fifteen (15) days after receipt from the independent Certified Public Accountant but no later than nine (9) months after the Contractor's fiscal year end.
- (b) Contractor shall immediately notify County upon learning that Contractor's independent Certified Public Accountant may or will issue a disclaimer of opinion due to substantial doubt of Contractor's ability to continue as a going concern.
- 13.8 Reports. Contractor shall submit reports required in Exhibit A and additional reports as may be requested by the COR and agreed to by the Contractor. Format for the content of such reports may be developed by County. The timely submission of these reports is a necessary and material term and condition of this Agreement and Contractor agrees that failure to meet specified deadlines will be sufficient cause to withhold

- 13.9 Evaluation Studies. Contractor shall participate as requested by the County in research and/or evaluative studies designed to show the effectiveness and/or efficiency of Contractor services or to provide information about Contractor's project.

ARTICLE 15
DISPUTES

Notwithstanding any provision of this Agreement to the contrary, the Contracting Officer shall decide any dispute concerning a question of fact arising out of this Agreement that is not otherwise disposed of by the parties within a reasonable period of time. The decision of the Contracting Officer shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary or so grossly erroneous as necessarily to imply bad faith. Contractor shall proceed diligently with its performance hereunder pending resolution by the Contracting Officer of any such dispute. Nothing herein shall be construed as granting the Contracting Officer or any other administrative official, representative or board authority to decide questions of law, or issues regarding the medical necessity of treatment or to pre-empt any medical practitioners' judgment regarding the medical necessity of treatment of patients in their care. The foregoing does not change the County's ability to refuse to pay for services rendered if County disputes the medical necessity of care.

- 16.10 No Other Inducement. The making, execution and delivery of this Agreement by the parties hereto has been induced by no representations, statements, warranties or agreements other than those expressed herein.
- 16.11 Notices. Notice to either party shall be in writing and personally delivered; sent by certified mail, postage prepaid, return receipt requested; or emailed to the County's or Contractor's designated representative (or such party's authorized representative). Any such notice shall be deemed received by the party (or such party's authorized representative) on the earliest of the date of personal delivery, three (3) business days after deposit in the U.S. Mail, or upon sending of an email from which an acknowledgement of receipt has been received other than an out of office, unavailable, or undeliverable reply.
