

Ramona Food and Clothes Closet (RFCC) was created over 35 years ago to fulfill a need in our community by serving as a humanitarian organization providing emergency food, clothing, and other resources and aid to individuals and families in need in Ramona, Santa Ysabel, Julian, Ranchita, Borrego Springs, Warner Springs and outlying areas.

Other resources and aid include monetary grants, education, referrals, community service work opportunities, disaster relief and other specific aid. Community grants may also be awarded to local charitable organizations dedicated to serving these needs.

RFCC is funded in several ways. The most pronounced and relevant funding is from the donations that are dropped off by the community. The staff and volunteers prepare these donations for sale and the community shops and purchases these gently used items which in turn creates an account that pays for the store facilities and payroll. The funds that are remaining after expenses are paid is used to support all of our social service programs .
